## **2. Reasons for the Revision**

After announcing revisions of earnings forecasts on April 27, 2012, during finalizations of financial statements, operating and recurring income predictions have decreased compared to previous forecasts.

In the “Notice Concerning Revision of Earnings Forecasts and Review of the Medium-Term Management Plan” of October 28, 2011, we announced that we had commenced preparations for a new medium term management plan (for the period between the fiscal year ended March 2013 and the fiscal year ended March 2015 (tentative)). The preparation work is currently underway, and we plan to disclose an outline of the plan at the announcement of the financial results of the current fiscal year ended in March 2012.

Note: Revised business forecasts are calculated based on information available to the Company as of this announcement. Actual results may differ from these forecasts for a variety of reasons.
